# 23 DECEMBER 2024

## **09:00-09:15** Opening Remarks and Introduction

Welcome address

Overview of the webinar agenda and objectives

## **09:15-10:15** Keynote Session: AI in Interventional Cardiology

Introduction to AI's role in transforming interventional cardiology

Keynote presentation

## **10:15-10:30** Coffee Break

## **10:30-12:00** Panel Discussion: AI Applications in Cardiac Imaging

Discussion on the latest AI applications in cardiac imaging

Q&A session with the audience

## **12:00-13:00** Lunch Break

## **13:00-14:30** Workshop: Machine Learning Fundamentals for Cardiologists

Basics of machine learning tailored for interventional cardiologists

Presentation and interactive Q&A session

## **14:30-14:45** Coffee Break

## **14:45-16:15** Case Studies: AI-Assisted Interventional Procedures

Presentation of real-world case studies where AI played a crucial role

Discussion on challenges, outcomes, and future directions

## **16:15-16:30** Wrap-up and Day 1 Closing

# 24 DECEMBER 2024

**09:00-10:00** Morning Session: AI in Risk Prediction and Patient Management  
Overview of AI applications in risk prediction and patient management

**10:00-11:45** Workshop: Implementing AI Solutions in Clinical Practice  
Strategies for integrating AI tools into clinical workflows  
Practical considerations and best practices

**11:45-12:00** Coffee Break

**12:00-13:30** Panel Discussion: Ethical and Regulatory Considerations  
Exploration of ethical, legal, and regulatory issues surrounding AI in cardiology  
Perspectives from experts in medical ethics, law, and regulatory affairs

**13:30-14:30** Lunch Break

**14:30-16:00** Breakout Sessions: AI Technologies Showcase  
Concurrent sessions featuring demonstrations and presentations by AI technology providers  
Q&A and discussion with participants

**16:00-16:15** Coffee Break

**16:15-17:45** Interactive Session: Future Directions in AI and Cardiology  
Visionary presentations on the future of AI in interventional cardiology  
Brainstorming session on potential research directions and collaborations

**17:45-18:00** Wrap-up and Closing Ceremony  
Recognition of outstanding contributions and achievements  
Closing remarks
